

Sergeant Jeffrey M. Sgro, *President*
Officer William Oslick, *1st Vice President*
Sergeant Michael Hayes, *2nd Vice President*
Detective Beth Sanborn, *Secretary/Treasurer*

Dear Friend,

I am writing to request your consideration for an important sponsorship opportunity for your firm. On July 27, 28 and 29, 2020, the Pennsylvania Association of School Resource Officers (PASRO) will hold its second annual conference at the Penn Stater Hotel and Conference Center in State College, PA. Nationally recognized speakers will join regional experts in sharing information, strategies and best practices with School Resources Officers, school officials and other first responders from around the Commonwealth of Pennsylvania. Our aim to hold this annual conference with the single and unifying purpose of bringing together school and community officials to ensure the students of Pennsylvania feel safe and secure in their schools.

I am writing to ask that your organization consider joining us as a vendor and sponsor. Your generous support will help our conference succeed and lay the foundation for continued events. Together we can make meaningful contributions to school safety in Pennsylvania.

Sponsorship opportunities exist for the following levels:

- | | |
|---------------------------|------------|
| • Partner | \$3,000.00 |
| • Platinum | \$2,000.00 |
| • Gold | \$1,500.00 |
| • Silver | \$1,000.00 |
| • Vendor Fair (both days) | \$500.00 |

Please note that all contributions are tax deductible.

Benefits of sponsorship include preferential placement in our vendor fair, logo placement on conference materials and throughout the event and mentions on social media. Your organization's brand will stand alongside PASRO in our commitment to safer schools.

Thank you in advance for your consideration of this request. Please contact me at your convenience for additional information.

Sincerely,

Sgt. Jeffrey Sgro
President, PASRO
